Virginia Cooperative Extension programs and employment are open to all, regardless of race, color, national origin, sex, religion, age, disability, political beliefs, sexual orientation, genetic information, marital, family, or veteran status, or any other basis protected by law. Extension is a joint program of Virginia Tech, Virginia State University, the U.S. Department of Agriculture, and state and local governments. An equal opportunity/affirmative action employer.

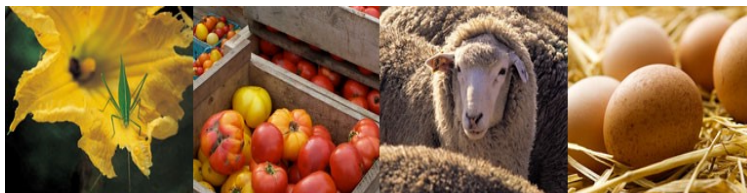

Extension is a joint program of Virginia Tech, Virginia State University, the U.S. Department of Agriculture, and state and local governments.

The Northern Piedmont Beginning Farmer Program (NPBFP) is pleased to announce our new class series titled, An Introduction To Getting Your Hands Dirty. This is a 6 week course with 2 Saturday labs at the Fauquier Education Farm and one farm tours. This course is intended for serious gardeners and Beginning Farmers who want to sharpen their production skills by broadening their basic level knowledge of the tools and concepts of professional crop production.

The program's focus is on:

- Basic soil health
- Amending Soils
- Crop Selection and planting techniques
- Weed Control
- Pest Control
- Infrastructure needs

NPBFP is a partner of the Virginia Beginning Farmer & Rancher Coalition (VBFRCP). For more information on the VBFRCP, please visit www.vabeginningfarmer.org. Funded through the Beginning Farmer and Rancher Development Program (BFRDP) of the USDA-National Institute of Food and Agriculture (NIFA). Award number: 2015-70017-22887.

The Virginia Beginning Farmer & Rancher Coalition formed as a way to more effectively address start-up needs of Virginia's beginning farmers and rancher communities by offering high quality outreach, education, training and resource support. The Coalition acts as an umbrella network of organizations to assist in the development and enhancement of whole farming planning programs, and online resource learning.
