## Farm Management Institute

### Open To All In Agriculture...

Join us for the 2018 Farm Management Institutes that will be held in the Farm Credit of the Virginias footprint. This year's content and lecture will be relevant to those who are lifelong learners, including young farmers, potential young farmers, parents, 4-H and FFA students and those continuing or expanding their farming operations. Dr. Dave Kohl and Dr. Alex White will provide insights, materials and techniques to enhance your growth and success in agriculture.

*Learn the latest market news and trends from both a global and domestic economic outlook*

*Gain insight on effective succession planning for the next generation*

*Develop your financial and management game plan for 2018 and beyond*

**The only cost to attend: Your Time!  
It's a great investment!**
