

Introduction to Food Safety and Certifications

Enhancing the Safety of Locally Grown Produce

February 21, 4 pm—6 pm at the Greene County Extension Office

Are you thinking about growing produce for a local market and want some basic food safety knowledge to help get you started? This is a great workshop to get you thinking about good production practices. All participants will receive a certificate at the end of the course.

Organic Certification

February 28, 4 pm—6 pm at the Fluvanna County Extension Office

We will discuss what organic really means, how to obtain organic certification, and how it can benefit your business.

GAP Certification

March 7, 4 pm—6 pm at the Fluvanna County Extension Office

We will discuss what GAP Certification really is, how to obtain it, and how it can benefit your business.
