Please RSVP to the Botetourt Extension Office

by March 23, 2018

540/473-8260 or MCL87@vt.edu

Speaker:

Dr. Dan Undersander

Forage Research and Extension Agronomist

University of Wisconsin

Dr. Dan Undersander coordinates the multi-department Extension forages program at the University of Wisconsin, conducts the forage variety trials, and does research on grazing, forage production and forage utilization and on near infrared reflectance (NIR) prediction of forage quality and other parameters. Dan is on the board of directors of several national organizations and a frequent contributor to farm magazines. He is a fellow in both the American Society of Agronomy and the Crop Science Society of America. Dan has written over 1200 publications.

If you are a person with a disability and desire assistance or accommodation, please notify Kate Lawrence (Botetourt Cooperative Extension Office) at (540-473-8260/TDD*) during business hours of 8:00 a.m. and 5:00 p.m. at least 5 business days in advance. *TDD number is (800) 828-1120.

Virginia Cooperative Extension programs and employment are open to all, regardless of age, color, disability, gender, gender identity, gender expression, national origin, political affiliation, race, religion, sexual orientation, genetic information, veteran status, or any other basis protected by law. An equal opportunity/affirmative action employer. Issued in furtherance of Cooperative Extension work, Virginia Polytechnic Institute and State University, Virginia State University, and the U.S. Department of Agriculture cooperating. Edwin J. Jones, Director, Virginia Cooperative Extension, Virginia Tech, Blacksburg; M. Ray McKinnie, Interim Administrator, 1890 Extension Program, Virginia State University, Petersburg.
