Event hosted by the Virginia Tech  
College of Agriculture & Life  
Sciences and Virginia Cooperative  
Extension

Lunch by Hethwood Market  
Ice Cream by Homestead Creamery

Virginia Cooperative Extension programs and employment are open to all, regardless of race, color, national origin, sex, religion, age, disability, political beliefs, sexual orientation, genetic information, marital, family, or veteran status, or any other basis protected by law. An equal opportunity/affirmative action employer. Issued in furtherance of Cooperative Extension work, Virginia Polytechnic Institute and State University, Virginia State University, and the U.S. Department of Agriculture cooperating. Edwin J. Jones, Director, Virginia Cooperative Extension, Virginia Tech, Blacksburg; Jewel E. Hairston, Administrator, 1890 Extension Program, Virginia State, Petersburg.

**This event will highlight research at Kentland and offer a variety of workshops and demonstrations.**

Topics covered will include:

- Grazing Summer Annuals
- Value-added Cattle Marketing
- Temporary Fencing Methods
- Pollinators and Beneficial Insects
- Small Scale Vegetable Production
- Soil and Plant Health

*Farm Tours*

*Speakers include VT Faculty, Extension Specialists, Extension Agents, and Industry Leaders*

### Keynote Speaker

Dr. Deidre Harmon  
Extension Livestock Specialist, NC State

Dr. Deidre Harmon will be joining us this year to discuss the ins and outs of grazing warm season annuals. As the Livestock Extension Specialist, Dr. Harmon's programs focus on management strategies for pasture-based livestock systems.
